WHAT IS AA SPECIAL?

ART

THE SISTER

ADI

THE BROTHER

Long before this comic, AA Special was a handwritten magazine made by a brother and sister, Adi and Art. The two A's in the name are theirs.

Its pages were written and drawn by hand, filled with little stories from their childhood and inspired by the Gokulam and Tinkle comics they loved to read.

Now AA Special is back in a new form: hand-drawn storybook art, comic panels and a story told in pictures. Issue #1 is about the festival their family builds together every year.

HAPPY NAVARATRI!
